

Vimal M. Aga, M.D., who is board-certified in psychiatry and geriatric psychiatry, earned his medical degree at the Maharani Laxmibai Medical College (Bundelkhand University) in Jhansi, India. Dr. Aga went on to complete a residency

in psychiatry at King George Medical College in Lucknow, India, and then worked as a senior resident at the Postgraduate Institute of Medical Education and Research in Chandigarh, India. Later, he completed another residency in psychiatry, followed by a fellowship in geriatric psychiatry at the University of Wisconsin Department of Psychiatry in Madison. He most recently served as the staff psychiatrist at the Oregon State Hospital's Geriatric Psychiatry Program in Salem. In 2011, Dr. Aga was appointed as a fellow of the American Psychiatric Association. He also is a member of the American Association for Geriatric Psychiatry and the American Geriatrics Society, and has special interest in geriatric psychopharmacology and non-Alzheimer's dementia syndromes. He speaks Hindi fluently and enjoys traveling and spending time with his wife and their twin daughters in his free time. Dr. Aga joined Tuality's Center for Geriatric Psychiatry in 2011.
